Continuation of Substance of Interview including description of the general nature of what was discussed: to place this application in condition for allowance, it was suggested to 1) incorporate claims 25 and 28 into all independent claims; 2) delete the term "optionally" in line 4 of claim 40; 3) amend claim 40 to read similar to that of claim 19 and in compliance with the interview agreement; and 4) amend the specification at paragraph 0068 to insert the term "about" for the stabilizer (support can be found in originally filed claim 8). Applicant's attorney authorized the Examiner's Amendment.
